**The Friendship Song**

**Artist:**  
**Molly Berg, Mali & Shimi Adar**

**Album:**  
**Nashim Tzidkaniyot**

When you look at me tell me do you see? A friend who truly cares, listens to your fears, plays and shares, through your smiles and tears woah. When I look at you I see a friend that's true. A friend that's always been by my side through thick and thin, cheers me on when I win, supports me with a grin. We're better together, we are friends forever, believe in each other, respect one another. Lift me up when I'm down, wipe away my frown, Chaveirim Kol Yisrael it's true, we are friends through and through.

When you look at me  
Tell me do you see  
A friend who truly cares  
Listens to your fears  
Plays and shares  
Through your smiles and tears woah

When I look at you  
I see a friend that's true  
A friend that's always been  
By my side through thick and thin  
Cheers me on when I win  
Supports me with a grin  
Woah  
Woah

We're better together  
We are friends forever  
Believe in each other  
Respect one another

Lift me up when I'm down  
Wipe away my frown  
Chaveirim Kol Yisrael it's true  
We are friends through and through

Na na na na na na  
Na na na na na na  
Na na na na na na na na  
We are friends through and through

Na na na na na na  
Na na na na na na  
Na na na na na na na na  
We are friends through and through
