

Song Title:

Why Me

Artist:

Aryeh Rubin

Single

Why me Why was I chosen to be Why me Father won't you tell me Oh I wanna be Who You need me to be But I'm struggling Oh I'm struggling Trying to find out why did You choose me I don't want to let You down God these are big shoes to fill And I hope that You chose the right soul Don't want to hit the ground God I'll take on this role but I need you to know That I want to be Who You need me to be

#INSTRUMENTAL

Why me
Why me
Why was I chosen to be

Why me
Why me
Father won't you tell me

Why me
Why me
Why was I chosen to be

Why me
Why me
Father won't you tell me

Oh I wanna be
Who You need me to be
But I'm struggling
Trying to find out why why why did
You choose me

I wanna be
Who You need me to be
But I'm struggling
Oh I'm struggling

#INSTRUMENTAL

Oh I wanna be
Who You need me to be
But I'm struggling
Trying to find out why why why did
You choose me

I wanna be
Who You need me to be
But I'm struggling
Oh I'm struggling

(Why did You choose me)
Why did You choose me
(Why did You choose me)
I don't want to let You down
(Why did You choose me)
God these are big shoes to fill
And I hope that You chose the right
soul

(Why did You choose me)
Why did You choose me
(Why did You choose me)
Don't want to hit the ground
(Why did You choose me)
God I'll take on this role but I need
you to know
That I want to be
Who You need me to be
But I'm struggling
