

Song Title:
A Thousand Years

Artist:
Moshe Auslander

Album
The Holiest Yid In The World

אין אנחנו מספיקים מספיקים להודות לך השם—if we lived a thousand years, if we lived a million years, there would never ever be time enough for praising You, Hashem, for thanking You, Hashem, for all You do for us; many, many years ago, years ago, Hashem, You planned this moment just so—so many things we recognize with our eyes, but most of them we'll never ever know.

אין אנחנו
מספיקים מספיקים
להודות לך השם

אין אנחנו
מספיקים מספיקים
להודות לך השם

If we lived a thousand years
If we lived a million years
There would never ever be
time enough

For praising You Hashem
For thanking You Hashem
For all You do for us

#INSTRUMENTAL

Many many
Years ago years ago
Hashem You planned this
moment just so

So many things
We recognize with our eyes
But most of them
We'll never ever know

If we lived a thousand years
If we lived a million years
There would never ever be
time enough

For praising You Hashem
For thanking You Hashem
For all You do for us

אין אנחנו מספיקים

להודות לך השם

אין אנחנו מספיקים

להודות לך השם

If we lived a thousand years
If we lived a million years
There would never ever be
time enough

For praising You Hashem
For thanking You Hashem
For all You do for us (lets go)
For all You do for us

If we lived a thousand years
If we lived a million years
There would never ever be
time enough

For praising You Hashem
For thanking You Hashem
For all You do for us (thank
(You Hashem

If we lived a thousand years
If we lived a million years
There would never ever be
time enough

For praising You Hashem
For thanking You Hashem
