Back to Mount Sinai

We have to take our children back to Mount Sinai where God's word is real and shining. We have to take our Neshamas back to Mount Sinai where God's word is real and shining. My dear brothers this is Shloime's dream the holy brother Reb Shloimaleh he hung up a letter in his Shul for the whole world to see a letter in the House of Love and Prayer. He wanted the world to know his biggest dream we have to open up a Yeshiva that teaches how to want that teaches the Oneness of God where they hear the Word of God shining like at Mount Sinai he hung up the letter for the world to see and this is what he said.

Our Neshamas back to Har Sinai

My dear brothers
This is Shloime's dream
The holy brother Reb Shloimaleh

He hung up a letter in his Shul
For the whole world to see
A letter in the House of Love and
Prayer

He wanted the world to know
His biggest dream

We have to open up a Yeshiva
That teaches how to want
That teaches the Oneness of God
Where they hear the Word of God
