Single

I'm feeling empty like the hole inside a doughnut oh please God lift me up. מיט א שטארקע. ליידיגקייט. I'm feeling holy like the hole inside a doughnut feeling holy Tatte fill me up. Fill me up with the light of the Menorah and ignite my burning Neshama. וכבר אין לי אף אחד.

I'm feeling empty
Like the hole inside a doughnut
Feeling empty
Oh please God lift me up

I'm feeling empty
Like the hole inside a doughnut
Feeling empty
Oh please God lift me up

I'm feeling empty
מיט א שטארקע ליידיגקייט
I'm feeling empty
Oh please God lift me up

I'm feeling empty
Like the hole inside a doughnut
Feeling empty
Oh please God fill me up

Fill me up
With the light of the Menorah
And ignite
My burning Neshama

ill me up
With the light of the Menorah
And ignite
My burning Neshama

Fill me up
With the light of the Menorah
And ignite
My burning Neshama

Fill me up
With the light of the Menorah
And ignite
My burning Neshama

I'm feeling empty
וכבר אין לי אף אחד
I'm feeling empty
Oh please God lift me up

I'm feeling empty
Like the hole inside a doughnut
Feeling empty
Oh please God lift me up

I'm feeling holy
Like the hole inside a doughnut
I'm feeling holy
Oh please God lift me up

I'm feeling holy
Like the hole inside a doughnut
Feeling holy
Tatte fill me up

Fill me up
With the light of the Menorah
And ignite
My burning Neshama

Fill me up
With the light of the Menorah
And ignite
My burning Neshama

Fill me up
With the light of the Menorah
And ignite
My burning Neshama

Fill me up
With the light of the Menorah
And ignite
My holy Neshama

I'm feeling heavy
Cuz I've had one too many
Of those jelly
Sufganiyos now it's all in my belly

In my bel- are you guys normal
Pashut pashut cocomelon
I'm not doing this anymore
