Sheep

Artist:

Album:

Like a sheep, You're my shepherd I shall not lack. Like a father, I'm Your son I shall not lack. **השם רעי לא אֶחָסֵר**. Now that I'm standing here by Your side I fear no one **לֹא אֵירָא רֵעַ**.

Like a sheep
You're my shepherd I shall not lack
Like a father
I'm Your son I shall not lack
השם רעי
השם רעי לא אֶחָסֵר
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here
By Your side I fear no one
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here
By Your side I fear no one
לֹא אֵירָא רֵעַ
אֵירָא רֵעַ
I fear no one
לֹא אֵירָא רֵעַ
לֹא אֵירָא (I fear no one)
I fear no one
Like a sheep
You're my shepherd I shall not lack (shall not lack)
Like a father
I'm Your son I shall not lack (shall not lack)
השם רעי (השם רעי)
השם רעי לא אֶחָסֵר
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here
By Your side I fear no one
Now that I'm standing here
(Now that I'm standing here)
Now that I'm standing here

(Now that I'm standing here)
Now that I'm standing here
By Your side I fear no one
לֹא אֵירָא רֵעַ
אֵירָא רֵעַ
I fear no one (I fear no one)
לֹא אֵירָא רֵעַ
לֹא אֵירָא (I fear no one)
I fear no one
