The Holiest Yid In The World

Heilige Reb Mendel Farbrengen with Chassidim he said Chevrah a question for you what's the holiest time and the holiest place and who is the holiest Jew. They said It's the Kohen Gadol on Yom Kippur In the Kodesh Kodashim. Reb Mendel smiled and said that's not the place that's not when and that's not him. Because the holiest Yid in the world Is you and the holiest place in the world is where Hashem put you and the holiest time in the world's right now the time Hashem gave you

Heilige Reb Mendel
Farbrengen with Chassidim
He said Chevrah
A question for you
What's the holiest time
And the holiest place
And who is the holiest Jew

Heilige Reb Mendel

He said Chevrah
A question for you
What's the holiest time
And the holiest place
And who is the holiest Jew

That's not when
And that's not him

Because
The holiest Yid in the world
