

Song Title:

YID

Artist:

Bracha Jaffe

Single

Someone once came over to me And asked me what it means to be a Yid This is what I told her
It's geshmak to be a Yid Cause a yid never breaks and a yid never bends and a yid never gives
up in the night a yid perseveres through the deepest despairs his emunah strengthens him for
the fight and a yid understands that Hashem has a plan and that's all it takes to make it
through his Tatte loves him that's what a yid holds on to

Geshmak to be a Yid
Geshmak to be a Yid
Didi nai nai
Na nai nai
Na na na na na num
Someone once came over to me
And asked me what it means to
be a Yid
Someone once came over to me
And asked me what it means to
be a Yid
This is what I told her
This is what I told her
This is what I told her
Didi nai nai
Na nai nai
Na na na na na num

A yid perseveres
Through the deepest despairs
His emunah strengthens
Him for the fight
And a yid understands
That Hashem has a plan
And that's all it takes to make it
through (make it through)
His Tatte loves him
That's what a yid holds on to
