We'll be farbrengin' with the Yidden
when Moshiach comes ya
Together in the Seudas Halevyasan
We be eating into the big fishy
swishy
Yum Yum
The Levyasan
Go clink clink clink
We be winning from the beginning
Like the Yidden been doing forever
We'll be sitting with the Tzaddikim
Fishy Swishy Yum Yum Yum

You can bring a horse to a
Farbrengin
And you can also make him drink
Clink clink
Clink clink
Clink clink
You can bring a horse to a
Farbrengen
And you can also make him drink
Ding ding
Farbreng
Farbreng

You can lead a horse to the water
But you can't make him drink
Who made that up
Doctor Suess
Meheicha Teisi
No Shaychus
Hashtag TYH
Hashtag Farbrengin' too hard
Hashtag popped off the back of the
wagon
Of the Baal Shem Farbrengin'
hardcore
