

Song Title:
Greeting Moshiach

Artist:
Faigy Blumstein

Album:
Nashim Tzidkaniyot

The Midrash tells us
אין הדורות נגאלים אלא בזכות נשים צדקניות בדור
The generations are redeemed
In the merit of the righteous Jewish women

Chazal teach us that in the generation of
Mitzrayim
It was specifically the women
Of that generation that believed with
Emuna Shleima they believed that the Geula
coming
So much so that they prepared tambourines
And instruments in order to sing and
Play music the moment it happens
Our Tzadikim teach us
That beginnings and ends are connected
And the Neshamos that were there in the
Mitzrayim are connected to those Neshamos to
Those Souls of the final Geula
That Redemption from Mitzrayim
Came about through the Nashim Tzidkaniyot

The righteous women in the generation
And specifically through the song
Through the Shira through the music of women
So too now let us prepare let us prepare
Instruments our voices
Let's come together to greet the Geula
And as we see from Mama Rochel
קול בְּרֵמָה נִשְׁמָע רָחֵל מְבַכָּה עַל בְּנֵיהָ
That voice of Mama Rochel
Stormed the Heavens
וְשָׁבוּ בָנִים לְגִבּוֹלָם
So let us storm the Heavens with our voice
With these voices of Geula
As we prepare to greet Mashiach
