

Song Title:
Another Yid

Artist:
Sochi Majeski & Moshe Auslander

Single

We should be Zoiche Takeh, To find that perfection within ourselves, by completing and helping other Yidden, and realize the connection, that deep connection, between us and other Yidden. I feel your pain, מ״ן ט״ערע אײַד. I feel your joy, אַחינו כל בית ישראל, מ״ן ליבע אײַד. To feel the pain, to feel the joy. To feel the pain of another Yid, To feel the joy of another Yid.

If a Yid Can feel another
Yid's pain
He is a tzaddik
And if a Yid can feel another
Yid's joy
He is a Malach

If a Yid Can feel another
Yid's pain
He is a tzaddik
And if a Yid can feel another
Yid's joy
He is a Malach

To feel the pain of another
Yid
To feel the joy of another Yid
אַחינו כל בית ישראל
כל בית ישראל

To feel the pain of another
Yid
To feel the joy of another Yid
אַחינו כל בית ישראל
כל בית ישראל
כל בית ישראל

If a Yid can feel another
Yid's pain
He is a Tzaddik
And if a Yid can feel another
Yid's joy
He is a Malach

To feel the pain of another
Yid
To feel the joy of another Yid
אַחינו כל בית ישראל
כל בית ישראל

To feel the pain of another
Yid
To feel the joy of another Yid
אַחינו כל בית ישראל
כל בית ישראל

With every laugh, with every
cry
I'll hold them close, just like
they're mine
אַחינו
אַחינו

With every smile, with every
tear
every Simcha that we share
אַחינו

We should be Zoiche Takeh
To find that perfection
within ourselves
by completing and helping
other Yidden
and realize the connection
that deep connection
between us and other
Yidden

I feel your pain
מ״ן ט״ערע אײַד
I feel your joy
מ״ן ליבע אײַד

אַחינו כל בית ישראל
כל בית ישראל
(to feel the pain, to feel the
joy)

To feel the pain of another
Yid
To feel the joy of another Yid
אַחינו כל בית ישראל
